Issued	12 October 2026

Overview

Ceylon cinnamon (*Cinnamomum verum*), the true cinnamon grown in Sri Lanka, packed in retail gift tins. Ceylon cinnamon is hand-peeled into thin, layered quills and is lighter and sweeter than cassia. In a tin it becomes a gift product, which sells at a far higher price per kilo than bulk cinnamon.

What goes in the tin

- Cut quills of a single grade, such as Alba, the thinnest, or C5
- Ceylon cinnamon powder
- Sets of quills and powder

Grades

Sri Lankan cinnamon is graded by quill diameter, from Alba (thinnest) through Continental grades such as C5 to Hamburg grades such as H1. Tell us the grade and the cut length that fits your tin.

Who buys it

Spice shops, gift and hamper companies, tea and spice brands, and companies buying corporate gifts. Testing, such as coumarin and microbiology, can be arranged on the lot before shipment.

Private label

Retail packs can carry your brand. Send us your artwork, pack size and labelling requirements for your market, and we confirm packing options, minimum order and lead time with the quote. You remain responsible for the label claims made in your market.

What to tell us for a quote

- The product, grade or specification you need, and a reference sample if you have one
- Quantity per order and how often you buy
- Pack size, packaging and labelling
- Destination port and the Incoterm you prefer
- Documents your market requires, such as a certificate of origin, phytosanitary certificate or lab test reports

Packing and shipping

Orders are packed to your instruction and shipped by sea in a full or shared container, or by air for samples

and small lots, quoted FOB Colombo, CFR or CIF to your port. Products from several Sri Lankan suppliers can share one container through our consolidation service.

How to get a price: tell us the quantity, your specification and your destination port. We quote FOB Colombo, CFR or CIF, with lead time and minimum order, and arrange samples before an order.

Typical specification

Shelf life	24 months from packing, unopened
Moisture	Quills ≤ 14%; powder ≤ 12%
Microbiological limits	Total plate count ≤ 1,000,000 cfu/g; yeasts and moulds ≤ 10,000 cfu/g; E. coli ≤ 10 cfu/g; Salmonella absent in 25 g
Appearance & organoleptic	Light tan, thin, layered Ceylon cinnamon quills and fine powder, sweet delicate aroma; volatile oil ≥ 1% quills, ≥ 0.7% powder (ISO 6539)
Ingredients	100% Ceylon cinnamon (Cinnamomum verum), no additives
Allergens	Contains none of the EU or US major food allergens
Storage & handling	Cool, dry, ventilated store away from strong odours and direct sun, below 25 °C and 65% relative humidity, off the floor

Typical specification for this grade, not a test result for the lot you will receive. We agree the final specification with your order and supply a certificate of analysis for your lot on request.

Issued by our Trade Desk in Colombo on the date shown. Figures are indicative, not a firm offer. For a firm price against your quantity, destination and Incoterm, request a quote and we reply with a costed position.
