Overview

Earl Grey and flavoured black teas blended in Sri Lanka on a Ceylon black tea base. Earl Grey is black tea flavoured with bergamot, and Ceylon tea is a common base because its bright, brisk character carries the citrus well.

Flavours

- Earl Grey, classic or with added flowers such as cornflower
- Fruit flavours, such as mango, peach, passion fruit or lemon
- Spice blends, such as cinnamon, cardamom or ginger
- Your own recipe

Flavouring

Teas can be flavoured with natural flavourings, natural-identical flavourings or essential oils, depending on your market and label. Tell us what your label needs to say and we confirm the flavouring with the supplier and send the flavour specification with the sample.

Who buys it

Tea brands, cafes and hotels, and private label grocery buyers. Loose leaf in bulk, or tea bags and packs under your brand.

Private label

Retail packs can carry your brand. Send us your artwork, pack size and labelling requirements for your market, and we confirm packing options, minimum order and lead time with the quote. You remain responsible for the label claims made in your market.

What to tell us for a quote

- The product, grade or specification you need, and a reference sample if you have one
- Quantity per order and how often you buy
- Pack size, packaging and labelling
- Destination port and the Incoterm you prefer
- Documents your market requires, such as a certificate of origin, phytosanitary certificate or lab test reports

Packing and shipping

Orders are packed to your instruction and shipped by sea in a full or shared container, or by air for samples and small lots, quoted FOB Colombo, CFR or CIF to your port. Products from several Sri Lankan suppliers can share one container through our consolidation service.

How to get a price: tell us the quantity, your specification and your destination port. We quote FOB Colombo, CFR or CIF, with lead time and minimum order, and arrange samples before an order.
