

Ceylon Silver Tips White Tea, Unopened Leaf Buds, Sample Pack

Product	Ceylon Silver Tips White Tea, Unopened Leaf Buds, Sample Pack
SKU	SLE-CTG-010
Minimum order	10 kg
Supplied by	SriLankaExport.com, Harker International (Pvt) Limited
Country of origin	Sri Lanka
Issued	12 October 2026

Overview

Unopened leaf buds, withered and dried with almost no further processing, which is what leaves them pale and silvery. Very light, sweet liquor. Among the highest-value grades Sri Lanka produces and priced accordingly. How to buy: order a 60 g sample online to judge the grade in your own hands. For bulk, request a quote with your grade, quantity and destination; we confirm a firm price, packing, lead time and validity in writing.

Using Silver Tips

Silver Tips are a white tea style. Brew below boiling, around 80 to 85 C, for three to five minutes. The buds are light and bulky, so a given weight takes more space than black tea, and gentle packing keeps them whole. They are sold loose in tins, in small gift packs, and as a blend component to add bud appearance.

What to tell us for a quote

- Quantity in kilograms
- Packing: bulk bags, tins or small retail packs
- Any residue limits your market sets
- Destination and delivery terms

Quality and documents

Each lot can be tested by an independent laboratory before shipment. Export documents are arranged with the shipment.

Samples and lead time

Samples are available before an order. Price, minimum order and lead time are confirmed with the quotation.

Typical specification

Shelf life	24 months from packing, unopened
Moisture	≤ 6% (ISO 1573)
Microbiological limits	Total plate count ≤ 100,000 cfu/g; yeasts and moulds ≤ 1,000 cfu/g; E. coli absent in 1 g; Salmonella absent in 25 g
Appearance & organoleptic	Whole, unopened silvery downy buds, light and bulky, free from stalk, leaf and fibre; very pale, sweet liquor; total ash 4 to 8%; extraneous matter ≤ 0.5%
Ingredients	100% white tea buds (Camellia sinensis), no additives

Allergens	Contains none of the EU or US major food allergens
Storage & handling	Cool, dry, odour-free store away from direct sun, below 25 °C and 65% relative humidity, off the floor; keep bags sealed
Typical specification for this grade, not a test result for the lot you will receive. We agree the final specification with your order and supply a certificate of analysis for your lot on request.	
Issued by our Trade Desk in Colombo on the date shown. Figures are indicative, not a firm offer. For a firm price against your quantity, destination and Incoterm, request a quote and we reply with a costed position.
