Overview

Ceylon tea packed in gift tins, boxes and multi-tea sets, under your brand. Sri Lanka has packed tea for export for well over a century, and tea packers can fill tins and gift boxes with loose leaf or tea bags in the same factory.

Tea

- Black teas from the main growing regions, such as Nuwara Eliya, Dimbula, Uva and Kandy
- Green and white teas
- Flavoured teas, such as cinnamon, Earl Grey and fruit blends

Formats

Single tins, gift boxes with several tins or caddies, and assortment boxes of individually wrapped tea bags. Tell us the format, the number of teas and the weight per tin.

Who buys it

Tea brands, gift and hamper companies, hotels and airlines, duty-free and souvenir retailers, and companies buying corporate gifts.

Lion logo

The Sri Lanka Tea Board's Lion logo can only be used on packs of 100% Ceylon tea packed in Sri Lanka, under licence. If you want it on your pack, tell us so it can be arranged.

Private label

Retail packs can carry your brand. Send us your artwork, pack size and labelling requirements for your market, and we confirm packing options, minimum order and lead time with the quote. You remain responsible for the label claims made in your market.

What to tell us for a quote

- The product, grade or specification you need, and a reference sample if you have one
- Quantity per order and how often you buy
- Pack size, packaging and labelling
- Destination port and the Incoterm you prefer

- Documents your market requires, such as a certificate of origin, phytosanitary certificate or lab test reports

Packing and shipping

Orders are packed to your instruction and shipped by sea in a full or shared container, or by air for samples and small lots, quoted FOB Colombo, CFR or CIF to your port. Products from several Sri Lankan suppliers can share one container through our consolidation service.

How to get a price: tell us the quantity, your specification and your destination port. We quote FOB Colombo, CFR or CIF, with lead time and minimum order, and arrange samples before an order.

This sheet is compiled from the exporter listing on the date shown. Figures are indicative, not a firm offer. Fields marked "Not stated" are not held on record and have not been estimated. For a firm price against your quantity, destination and Incoterm, request a quote and the trade desk replies with a costed position.
