Overview

Made-to-order furniture in teak, mahogany and other hardwoods, for hotels, resorts, offices and retailers. Every piece is quoted from your drawings or photos, because size, timber and finish change the price more than anything else.

What to include in your request

- Drawings or photos, and dimensions
- Timber, finish and hardware
- Quantity per design
- Destination port and whether you need assembly

How to get a price: tell us the quantity, your specification and your destination port. We quote FOB Colombo, CFR or CIF, with lead time and minimum order, and arrange samples before an order.

Choosing the timber

- **Teak**: dense and naturally oily, it resists moisture and suits outdoor, pool and bathroom pieces as well as indoor furniture
- **Mahogany**: a fine, even grain that takes stain and polish well, often used for cabinets, desks and bed frames
- **Other hardwoods**: can be chosen to match a finish or a budget; tell us the look you need

What helps us quote faster

- Whether pieces ship assembled or flat-packed, which changes how many fit in a container
- Finish: oil, lacquer, paint or natural
- Any fire, moisture content or finish standards your project must meet

Samples and inspection

A sample piece or finish panel can be made before the full order. Price, minimum order and lead time are confirmed with the quotation. Export documents are arranged with the shipment.

Typical specification

Appearance & organoleptic	Solid hardwood (teak, mahogany or as ordered), kiln dried to 8 to 12% moisture content; joinery and finish to approved drawings or sample; dimension tolerance ± 3 mm; free of open knots, cracks and insect holes
Storage & handling	Dry, covered store at stable humidity, away from direct sun and heat

Typical specification for this grade, not a test result for the lot you will receive. We agree the final specification with

your order and supply a certificate of analysis for your lot on request.

Issued by our Trade Desk in Colombo on the date shown. Figures are indicative, not a firm offer. For a firm price against your quantity, destination and Incoterm, request a quote and we reply with a costed position.
