Overview

Kombucha is fermented sweetened tea, and the tea is its main ingredient. Brewers want plain tea without flavouring oils, which can upset the culture. This listing is plain Ceylon black and green tea, blended for kombucha and supplied in bulk to breweries or packed for home brewers.

Tea

- Ceylon black tea, often broken grades such as BOP, BOPF or Dust that brew strong and fast
- Ceylon green tea
- Black and green blends to your ratio

Organic

Some kombucha brewers sell certified organic kombucha and need certified organic tea. Tell us if you need it and which certification your market accepts, and we confirm availability against the supplier's certificate.

Who buys it

Kombucha breweries, home-brew kit brands and online sellers. Tea only: we do not supply live cultures.

Private label

Retail packs can carry your brand. Send us your artwork, pack size and labelling requirements for your market, and we confirm packing options, minimum order and lead time with the quote. You remain responsible for the label claims made in your market.

What to tell us for a quote

- The product, grade or specification you need, and a reference sample if you have one
- Quantity per order and how often you buy
- Pack size, packaging and labelling
- Destination port and the Incoterm you prefer
- Documents your market requires, such as a certificate of origin, phytosanitary certificate or lab test reports

Packing and shipping

Orders are packed to your instruction and shipped by sea in a full or shared container, or by air for samples and small lots, quoted FOB Colombo, CFR or CIF to your port. Products from several Sri Lankan suppliers can share one container through our consolidation service.

How to get a price: tell us the quantity, your specification and your destination port. We quote FOB Colombo, CFR or CIF, with lead time and minimum order, and arrange samples before an order.

This sheet is compiled from the exporter listing on the date shown. Figures are indicative, not a firm offer. Fields marked "Not stated" are not held on record and have not been estimated. For a firm price against your quantity, destination and Incoterm, request a quote and the trade desk replies with a costed position.
