Overview

Sri Lanka has an established paper converting industry that makes bags for its own retail chains and for export. As shops and food outlets replace plastic carrier bags, kraft paper bags are a growing line for importers, distributors and brands that want a paper alternative printed with their own logo.

Bag types

- Flat paper bags for bakeries, pharmacies and takeaway
- SOS (self-opening square bottom) grocery bags that stand upright
- Shopping bags with twisted paper or flat paper handles
- Bags made to your size, gusset and paper weight

Specification to send us

- Bag type and size (width, gusset, height)
- Paper color and weight in gsm
- Handle type, if any
- Print colors and artwork
- Quantity per size

Food contact

For bags that touch food, ask for food-grade paper and inks. We confirm the supplier's declarations for your market with the quote.

Who buys it

Packaging distributors, supermarket and retail chains, bakeries, restaurants and brands. Paper bags ship flat and stack densely, so they can share a container with other Sri Lankan goods through our consolidation service.

Private label

Retail packs can carry your brand. Send us your artwork, pack size and labelling requirements for your market, and we confirm packing options, minimum order and lead time with the quote. You remain responsible for the label claims made in your market.

What to tell us for a quote

- The product, grade or specification you need, and a reference sample if you have one
- Quantity per order and how often you buy
- Pack size, packaging and labelling
- Destination port and the Incoterm you prefer
- Documents your market requires, such as a certificate of origin, phytosanitary certificate or lab test reports

Packing and shipping

Orders are packed to your instruction and shipped by sea in a full or shared container, or by air for samples and small lots, quoted FOB Colombo, CFR or CIF to your port. Products from several Sri Lankan suppliers can share one container through our consolidation service.

How to get a price: tell us the quantity, your specification and your destination port. We quote FOB Colombo, CFR or CIF, with lead time and minimum order, and arrange samples before an order.

Issued by our Trade Desk in Colombo on the date shown. Figures are indicative, not a firm offer. Ask us for a certificate of analysis against your order. For a firm price against your quantity, destination and Incoterm, request a quote and we reply with a costed position.
