Minimum order	250 kg
Price basis	kg
Supplied by	SriLankaExport.com, Harker International (Pvt) Limited
Country of origin	Sri Lanka
Issued	13 October 2026

Overview

Certified organic Ceylon black tea in three broken grades, BOP, BOPF and Dust, sold in bulk from 250 kg with a firm FOB Colombo price for each grade. It is grown and made in Sri Lanka on organically managed land and packed in 50 kg bags for blenders, tea bag packers, importers and private label brands.

Firm price by grade

Grade	250 kg+	500 kg+	1,000 kg+
BOP	\$15.50	\$15.25	\$14.75
BOPF	\$15.25	\$15.00	\$14.50
Dust	\$13.25	\$13.00	\$12.75

US dollars per kg, FOB Colombo, at the quantity shown and above. Each grade is priced on its own, so a 500 kg lot of BOP is US\$7,625. We confirm the price, lead time and validity in writing before you pay.

The grades

- **BOP (Broken Orange Pekoe):** a broken leaf that brews a strong, bright cup, for loose-leaf retail and breakfast blends.
- **BOPF (Broken Orange Pekoe Fannings):** smaller particles that infuse quickly, the usual grade for tea bags.
- **Dust:** the finest grade, for fast-brewing tea bags and food service.

Organic certification

Certified organic lots (USDA NOP / EU, certificate copy with your quote). The certificate holder issues an organic transaction certificate for each shipment. If your market needs another scheme, such as JAS, tell us and we confirm whether a lot is covered before you order.

Samples

Order a 2 oz (60 g) sample of any grade online for US\$7 and judge the leaf and the liquor yourself. Samples ship from Sri Lanka by SL Post tracked airmail.

Packing, lead time and documents

- 50 kg bags; other packing on request

- About 3 to 4 weeks from a confirmed order
- Certificate of origin, phytosanitary certificate and organic transaction certificate
- HS code 0902.40

What to tell us for a quote

- Grade and quantity, and how often you buy
- The organic scheme your market requires
- Destination port and the Incoterm you prefer

Looking for conventional (non-organic) tea? See our [bulk Ceylon black tea](#) listing.

Typical specification

Shelf life	24 months from packing, unopened
Moisture	≤ 6%
Microbiological limits	Total plate count ≤ 100,000 cfu/g; yeasts and moulds ≤ 1,000 cfu/g; E. coli absent in 1 g; Salmonella absent in 25 g
Appearance & organoleptic	Clean, even black tea leaf true to the stated grade, stalk and fibre within grade norms; water extract ≥ 32%; total ash 4 to 8% (ISO 3720); pesticide residues within EU MRLs, report per lot
Ingredients	100% Camellia sinensis tea leaf
Allergens	Contains none of the EU or US major food allergens
Storage & handling	Cool, dry, ventilated store away from strong odours and direct sun, below 25 °C and 65% relative humidity, off the floor

Typical specification for this grade, not a test result for the lot you will receive. We agree the final specification with your order and supply a certificate of analysis for your lot on request.

Organic: ask us for the producer’s organic certificate covering your lot with the quote. Certification does not transfer to the buyer: for a US import under USDA NOP, the importer of record must hold its own certification.

Issued by our Trade Desk in Colombo on the date shown. Figures are indicative, not a firm offer. For a firm price against your quantity, destination and Incoterm, request a quote and we reply with a costed position.
